## DETAILED ACTION

### *Response to Amendment*

Applicant's Amendment filed on 12/17/04 has been entered. It is noted that the application contains claims 1 and 7-9 and claims 2-6 have been canceled by the Amendment filed on 12/17/04.

### *Allowable Subject Matter*

The following is an examiner's statement of reasons for allowance:

Claims 1 and 7-9 are allowed.

As to independent claims 1 and 8 are allowable over the prior art for at least the reason that the prior art of record, taken alone or in combination, fails discloses or render obvious an inspecting device for a semiconductor wafer comprising all the specific elements with the specific combination including of a control unit which controls moving unit and the rotating unit to rotate and move the holding unit so as to position a mask ID of the wafer at a predetermined position within an observation field of the observing unit based on the obtained position data and judging means for judging whether the mask ID of the wafer is appropriate by comparing image data which is photoelectrically captured by the camera portion and processed with stored reference image data of a mask ID in combination with the rest of the limitation of claims 1 and 8-9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
